

Cooperative Programs with Other Districts and Public Agencies

Whenever it appears to the economic, administrative and/or educational advantage of the District to participate in cooperative programs with other units of local government, the Superintendent will prepare and present for Board consideration an analysis of each cooperative proposal.

When formal cooperative agreements are developed, such agreements shall comply with requirements of the Interlocal Cooperation Act, with assurances that all parties to the agreement have legal authority to engage in the activities contemplated by the agreement.

The District may enter into an interlocal agreement providing for the sharing of teachers, specialists, superintendents or other professional persons licensed under Title 37, MCA. If the District shares a teacher or specialist with another district(s), the District's share of such teacher's or specialist's compensation will be based on the total number of instructional hours expended by the teacher or the specialist in the District.
