"School property" means within school buildings, in vehicles used for school purposes, or on owned or leased school grounds. These regulations are in effect year-round, and during all District extra or co-curricular activities. District administrators will take appropriate action as circumstances warrant, up to and including recommending that the individual violating this policy be denied access to District property. If a recommendation is made to the Board to deny access to District property to an individual, that individual will be notified of date, time and place of the meeting of the Board as well as of the specific allegations to be presented to the Board.
