Principals

Principals are the chief administrators of their assigned buildings. The primary responsibility of principals are the development and improvement of instruction. The majority of the principals' time shall be spent on curriculum and staff development through formal and informal activities, establishing clear lines of communication regarding the school rules, accomplishments, practices and policies with parents and teachers. Principals are responsible for management of their staff, maintenance of the facility and equipment, administration of the educational program, control of the students attending the school, management of the school's budget and communication between the school and the community. Principals will be evaluated on their instructional leadership and their ability to maintain a positive learning environment.
