

Relations with Law Enforcement and Child Protective Agencies

The staff is primarily responsible for maintaining proper order and conduct in the schools. Staff shall be responsible for holding students accountable for infractions of school rules, which may include minor violations of the law, occurring during school hours or at school activities. When there is substantial threat to the health and safety of students or others, such as in the case of bomb threats, mass demonstrations with threat of violence, individual threats of substantial bodily harm, trafficking in prohibited drugs, or the scheduling of events where large crowds may be difficult to handle, the law enforcement agency shall be called upon for assistance. Information regarding major violations of the law shall be communicated to the appropriate law enforcement agency.

The District will strive to develop and maintain cooperative working relationships with law enforcement agencies. Procedures for cooperation between law enforcement, child protective, and school authorities will be established. Such procedures will be made available to affected staff and will be periodically revised.
