

Procurement of School Food

The District will abide by the following requirements for any procurement related to its food services:

- Purchases Greater than \$80,000
 - Except as permitted below, whenever the cost of food service supplies, products, or equipment exceed \$80,000, the District will call for formal bids by issuing public notice as required by law. Specifications will be prepared and made available to all vendors interested in submitting a bid. The contract shall be awarded to the lowest responsible bidder, except that the trustees may reject any or all bids. The Board, in making a determination as to which vendor is the lowest responsible bidder, will take into consideration not only the amount of each bid, but will also consider the skill, ability, and integrity of a vendor to do faithful, conscientious work and to promptly fulfill the contract according to its letter and spirit.
 - The District may enter into cooperative purchasing contracts with one or more districts for procurement of food supplies or services. Such services and supplies may be purchased without complying with the above stated bidding requirements if the cooperative purchasing group has a publicly available master list of items available with pricing included and provides an opportunity at least twice yearly for any vendor to compete, based on lowest responsible bidder standard, for inclusion of the vendor's supplies and services on the cooperative purchasing group's master list.
- Purchases Less than \$80,000 but Greater than \$3,500
 - Purchases of food service supplies, products, or equipment between \$3,500 and \$80,000 shall be considered "Small Purchases." The District is not required to use a formal bidding process for Small Purchases, but it shall use a competitive process to ensure fairness. For any Small Purchase, the District shall obtain at least two or more price quotes. The District shall maintain all procurement documentation to ensure the cost is less than \$80,000 but more than \$3,500 for a Small Purchase.
- Purchases Less than \$3,500
 - Purchases of food service supplies, products, or equipment less than \$3,500 shall be "Micro-Purchases." The District is not required to use a formal bidding process for Micro-Purchases, but it shall ensure that purchases are reasonable and equitably distributed among all qualified sources. The District shall maintain all procurement documentation to ensure the cost is less than \$3,500 for a Micro-Purchase.

Bid Specifications

The District will not award a contract to a potential vendor who has written any of the bid specifications, the solicitation documents, or any of the contract language.

Identical bid specifications and/or request for proposals will be provided to all potential vendors.

Geographic Preference

As part of a Farm to School program, the District has the discretion to apply a geographic preference for procurement of unprocessed locally grown or locally raised domestic products only.

Buy American

The District shall procure domestic commodities and products (“Buy American”) for the use of its Child Nutrition Program to the maximum extent practicable. The District is permitted to buy foreign goods only when:

- Food preferences can only be met with foreign goods;
- A sufficient quantity and/or quality is not available through domestic commodities or products; or
- The cost of domestic commodities and products is significantly higher.

Debarment and Suspension

For any food service purchase in excess of \$25,000, the District shall obtain verification or certification from a vendor that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred, or suspended by a federal agency.

Standard of Conduct

District employees engaged in the award and/or administration of food service contracts supported by federal funds are subject to the following code of conduct:

- No employee may participate in the selection, award, or administration of a food service contract supported by federal funds if he or she has a conflict of interest or can reasonably be perceived as having a conflict of interest.
- No employee may solicit any gratuities, favors, or anything else of monetary value from a potential vendor.
- No employee may participate in the selection, award, or administration of a food service contract supported by federal funds when the employee or member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these individuals has a financial interest in a vendor.
- Employees are expected to demonstrate integrity and honesty.

Employees who fail to abide by this policy will be subject to disciplinary action up to and including discharge.

Bid Protest Procedures

Any vendor who desires to protest the award of a bid pursuant to this policy shall, within fifteen (15) days after award of the bid, give notice of their protest. The notice shall state in detail the basis of the claimant's bid protest and the resolution requested. The bid protest shall be provided to the Business Manager or designee. The Business Manager or designee shall investigate the claim and issue a written decision within fifteen (15) days after receipt.

If the claimant is not satisfied with the decision of the Business Manager or designee, the claimant may appeal the decision to the District's Board of Trustees. The notice of appeal shall be filed with the Board of Trustees within fifteen (15) days after issuance of the decision from which the appeal is taken. The appeal shall state the basis of the appeal and provide to the Board the original bid protest, together with a copy of the decision being appealed from. The specific grounds for the appeal shall be stated in the appeal and shall not include additional claims or information not provided with the original bid protest.

The Board of Trustees at the next regular board meeting following the receipt of the appeal shall either hear the appeal or set a time to consider the appeal. The Board may in its discretion render a decision based upon the information and records before the Board of Trustees or, in the Board's discretion, may request the claimant and a representative of the District to each present information pertaining to the bid protest.

The Board shall issue a written decision within thirty (30) days of the meeting in which it considered the appeal.
